

# GroWductivity<sup>®</sup>

## Providing B2B Solutions for Growth!

### Professional Network

We provide business owners with access to a team of local professionals to meet their needs. Every local networking chapter includes an HCM Consultant, Attorney, CPA, Benefit Broker, Business Broker, Commercial Real Estate Broker, Business Banker, & Staffing Partner. Our professional network provides depth and expertise to every client interaction and can help answer preliminary client questions within our platform. Local Relationships Built on Results is our Motto!

It is **FREE** to Get Started - Register as a Client Today!

**Fortune  
500**

We partner with leading Fortune 500 companies and technology vendors.

### B2B Channel Partner Solutions

As a client of GroWductivity, if your company has outside sales reps working for you, you can plug them into our channel partner network to generate more referrals for your business. Our network is filled with like-minded professionals who refer leads to each other through established relationships. If your business needs solution/services/product from the network, we also provide a client platform to help you identify local, trusted professionals with a proven track record who can help answer questions and meet your business needs. Local Relationships Built on Results is Our Motto!

### On-Demand Talent

We partner with recruiting firms from coast-to-coast to help clients fill critical positions to fuel their talent strategy. Our recruiting partners specialize in recruiting, screening and placing only the highest qualified professionals in Sales & Marketing, Accounting, Finance, IT, Human Resources, and Office Administration fields.

### On-Demand HR Solutions

We partner with leading HCM and SaaS Technology vendors to provide HR Tech/Services and Employee Benefits to stabilize the cost of healthcare & become an employer of choice. On Demand Live HR Support is \$39/mo for stand-alone service. We help clients save \$ and drive efficiency.

Live HR Support  
On-Demand  
is \$39/mo for **STAND  
ALONE SERVICE.**
